

HU SEMESTER DATES
For Fall 2009 to Spring 2012

(As of September 23, 2009. Please disregard any earlier dated versions)

The new HU Enrollment and Class dates follow a simpler, and pedagogically more accommodating, calendar. Basically Fall Semester Enrollment week (during which all but newly entering students need to have their Fall schedule completed) is the first seven days of August and classes begin the second Monday of September and run for 20 weeks (19 weeks and five days to be more precise). Spring Semester Enrollment Week (during which all but newly entering students need to have their Spring schedule completed) is the first seven days of February and classes begin the second Monday of March and run for 20 weeks. Thus the classes will begin earliest on the 8th and the latest on the 14th. The classes will end earliest the 23rd and latest the 29th.

The Campus Week at Unity Village starts with graduation and ordination on the afternoon and evening of the first Sunday of October and the second Sunday of April (unless that is Easter Sunday (as it is in 2012), in which case it will start the first Sunday of April). Residential classes during Campus Week will be held during a period of six days starting the following Monday and ending the following Saturday evening. Some residential classes will be scheduled other than during Campus Week and at locations other than Unity Village.
